Dear Mr. Wenskay:

This is in response to applicant's request received 10 June 2003 inquiring about the status of U.S. patent application number 10/031,806 filed 13 November 2001. The USPTO records show that the application is abandoned for failure to timely respond to the Notification of Missing Requirements mailed 14 May 2002. With regard to applicant's request to the Office to resend the Notification due to an incorrect mailing address, a review of the application file reveals that, since no correspondence address was submitted on filing in accordance with 37 CFR 1.33(a), the address indicated on the Notification was properly picked up from the address listed on the "Express Mail" label, a copy of which is attached for applicant's review. A copy of the Notification of Missing Requirements is also attached herewith for applicant's convenience.

Sincerely,

Nguyễn Ngọc Hồ
